<b>Country</b>	Cyprus
<b>City</b>	Limassol
<b>Project type</b>	KA2: Languages/ Multilateral Projects / KA2 New Materials, Online Courses, Awareness Raising
<b>Website</b>	<a href="http://www.cut.ac.cy/languagecentre/">http://www.cut.ac.cy/languagecentre/</a>
<b>About Institution</b>	<p>The Cyprus University of Technology (CUT) was established by law in December 2003, and enrolled its first students in September 2007. It is a new, public, and independent University and has set high values concerning its academic character, legal status, organisational and administrative structure; it's characterised by its high level procedure for staff selection, and its relationship with the state.</p> <p>The CUT has five faculties and a Language Centre (LC). The CUT LC offers to its students, administrative and teaching staff and to the wide public the opportunity to learn languages in a very friendly environment and with the use of the latest theories, methods and materials that are used in the learning and teaching of language, including those of the New Technologies. The languages currently offered are: Greek, English, German, Italian, Spanish and French.</p>
