Project description				
<p>Hajvery University (HU) is keenly interested to join Erasmus+ consortium as a Partner University. As a brief introduction, Hajvery University (HU) is Chartered by Govt. Of Pakistan as Degree Awarding University and is <u>ranked as top category university</u> by Higher Education Commission of Pakistan (HEC). <i>Hajvery University (HU) is an interdisciplinary research and teaching university offering 23+ degree programs from Bachelors to Doctorate level, to over 8 ,500 male and female students studying in Seven diversified faculties.</i></p>				

Our International Office @ HU has vast experience of coordination and working with International partners on various projects. We are interested to partner in following projects:

- Joint Master Degrees
- Joint Doctoral Programs
- Mobility schemes
- Capacity building projects
- And also other EU initiatives where partner Universities from Pakistan are eligible.
