

**INSTITUTO UNIVERSITÁRIO DA MAIA (ISMAI) - PORTUGAL
INTERNATIONAL OFFICE**

Due to the widening of our academic offer and to the students' interest of the new study areas in going to study abroad under the Erasmus+ Program, we invite your Institution to become involved in this partnership. We are particularly interested in the study area of Quality, Environment and Safety Management.

ISMAI was founded in 1990 and participates in this European Programme since 1997.

Our Educational offer (according to the Bologna Process) includes bachelor, master and PhD studies and it is published at <http://www.ismai.pt/NR/exeres/2DC07724-F7B9-4861-9157-EEB27680AFE8.frameless.htm>.

We will remain available for any further questions you might need to ask.

We are looking forward to hearing from you regarding this matter and hope we can start an enduring and mutually beneficial relationship.
