

## **INSTITUTO SUPERIOR DA MAIA (ISMAI) - PORTUGAL INTERNATIONAL OFFICE**

Due to the widening of our academic offer and to the students' interest of the new study areas in going to study abroad under the Erasmus Program, we invite your Institution to become involved in this partnership. We are particularly interested in the study areas of

- Criminology,
- Renewable Energies,
- Quality,
- Environment and Safety Management,
- Occupational Safety Engineering.

ISMAI was founded in 1990 and participates in this European Programme since 1997.

Our Educational offer (according to the Bologna Process) includes bachelor and master studies and is published in <http://www.ismai.pt/NR/exeres/2DC07724-F7B9-4861-9157-EEB27680AFE8.frameless.htm>.

We will remain available for any further questions you might need to ask.

We and hope we can start an enduring and mutually beneficial relationship.
