

Dear Sir/Madam,

Let me introduce Karamanoglu Mehmetbey University (KMU). KMU is a state university founded in 2007 in Karaman/Turkey. Our institution is very young. The university is located in the central region of Turkey. The university consists of 4 faculties and 5 vocational schools. KMU has 18 undergraduate programs within 4 faculties. Additionally there are 2 graduate schools with 6 masters and 1 doctorate programs.

Karaman School of Health is established in 2007. The school consists of nursing department. Nursing Department have 250 undergraduate students. Nursing department has permanent 1 full professor, 2 assistant professors, 3 Research Assistants and 3 Lecturers.

Erasmus Coordinatorship of Karamanoglu Mehmetbey University made an application to European University Charter (EUC) and the application is evaluated by the European Comission and approved by the December 2009, and the biliteral aggrements between European Universities started.

Regarding foreign cooperation we are looking for partners. We are especially interested in staff and student mobility at Bachelor level in Nursing.

Please, contact us if you are interested in the cooperation with Karamanoglu Mehmetbey University in above-mentioned area. If more information about our school is required, please don't hesitate to contact Nejla Canbulat, tel: +90 338 2262131, send an e-mail: ncanbulat@gmail.com or visit our website: <http://www.kmu.edu.tr/english/default.aspx>

With my best regards,

Assist.Prof.Dr. Nejla Canbulat
