Short description of the company Sport Lisboa e Benfica, a private institution of public utility. Founded in 1904 it was born and grew to become the biggest Portuguese Club. However, it is not just a sports club. With a secular existence, Sport Lisboa e Benfica is now recognized as a symbol of Portugal and the Portuguese in that what is most noble and valuable. Founded in the spirit of unity, expressed from the origin of its motto "E Pluribus Unum," Sport Lisboa e Benfica is currently the World's Largest Club, with 215,900 members and 14 million supporters.
